

LABOR PLANS TO ENTER POLITICS

Nonpartisan Club Is Formed at Meeting Monday Night.

Perfecting its organization the Nonpartisan club meeting in Carpenters hall Monday laid tentative plans for the active participation of organized labor in politics, local, state and national. The Nonpartisan club is the local branch of that organization as formulated by the American Federation of Labor.

Announcement is made that no ticket will be placed in the field but that the club will devote its efforts at present to investigation of the records of candidates and throwing the whole weight of its influence behind those candidates for various offices who are acceptable to organized labor.

Arch Schwab was selected as chairman of the organization, with F. W. Wright as vice-chairman. Following the adoption of the by-laws of the club, several members of the executive board

of nine were selected: O. I. Kruger, B. C. Hasset and William Powell were elected from members of the Trades and Labor council; H. B. Reed was named from the railway brotherhood, and two other members from this organization will be selected at a later date. Miss Elizabeth M. Dix was selected to represent the women's organizations affiliated with the Trades and Labor council.

At a meeting to be held Tuesday in Carpenters hall the executive board will begin its work, and it is expected that this body will have some recommendations for the consideration of the club at its next regular meeting on Monday night.

Four-minute speakers will visit all unions in an effort to stir up sentiment for the club. The club will be financed exclusively by labor men, a resolution being adopted that no contributions would be received from anyone not a member of organized labor.

There was every indication at the meeting Monday night that the club will do everything in its power to defeat Gov. Roberts.
